There will be an opportunity to go on a snow hike as while you spend time in the park. The hike will be led by a member of the Friends of Highland Rec. Area (FOHRA)

Winter STEM Olympics - Sat., Feb. 10, 2018 Kensington Metro Park. The STEM Committee of the Great Lakes FS Council will be hosting a fun winter day of events. The Chief Pontiac Program Committee will be on hand to show how to make a Snow Snake. A Snow Snake track will be placed within the Kensington Living History Village at the Farm Center. Registration for this event must be undertaken through the GLFSC website for STEM activities. Please bring your own Snow Snake, if you have one. Extras Snow Snakes available to use or to purchase (\$5/ea.). The patch for this event will come from the Winter STEM Olympic Committee. See the link to STEM

<https://scoutingevent.com/272-Olympics>

The Snow Snake events are held “regardless of snow level on the ground” The Chief Pontiac Programs Committee (CPPC) has obtained an “ALL Weather ~ All Conditions “Snow Snake Race Track. Snow Snake racing can occur without the availability of having snow on the ground that is required for traditional Snow Snake Racing. Dress for freezing temperatures and wind conditions. One Lil’ Brave segment can be earned each day. Snow Snake events will be CANCELLED if Extreme cold temperatures and wind chill condition are predicted.

No pre-registration required at Fisk Farm and pay at the door! A MDNR annual “Recreational Passport” permit is required for entry at MI state parks. The annual MDNR Recreational Passport permit is \$11.00.
